To Whom It May Concern:

Hello. I just found out last week that the U.S Patent office sent me out a bill to renew my patent. Sadly the address that was on file was where our office was located back when we filed in 1999, had changed. We moved from that office location on record sometime in 2005 in my memory is correct. We did have a forward mail request in place but this was many years after it had expired.

I am so sorry that I did not bring this to your attention sooner. I did not realize that we had a bill sent to us or that the time had passed until last week. I called this morning and was informed that I needed to fill out the attached form PTO/SB/65 and mail it along with the money that is due both for being late and the fee. I have enclosed the check in the \$ 2,125.00.

I would hate to see all the hard that went into this just disappear and really am so sorry that I did not realize this had occurred. The Attorney on record no longer works in this industry so we are doing this on our own.

We would also like to provide our email address since back then I do not think we had a place to provide it. Our email address is Degabli@att.net. Mailing address is : 3973 Walters Avenue Northbrook, Illinois 60062

Thank you so much for taking the time to review our request and hope that you will grant my wife and I our patent back.

With much gratitude,

Arie Degabli
